

Resources

Check out these before starting:

Click on the url. You will be redirected.

1) https://www.youtube.com/watch?v=rln_kZbYaWcIntro
A crisp intro to Fuzzy logic.

2) https://www.youtube.com/watch?v=a2i-lHS-c_IMath
Math for more insight.

3) <https://www.youtube.com/watch?v=0348HnWPm7A&t=1s>
MATLAB documentation to use Fuzzy Logic Toolbox.

4) <https://www.youtube.com/watch?v=r804UF8Ia4c>
Another one for insight.

Note: The first one is atleast a must if you are a complete novice in this domain.
And it is super simple to follow.
Happy Learning :)
